Our Spring Break is scheduled for April 15th - April 19th this year. Report cards for the 2nd trimester were sent home on Friday, March 22nd. Please contact your child’s teacher if you did not receive a copy.

Our final round of After-School Enrichment Classes are scheduled to begin the week of April 22nd. At this time, we do not have enough volunteers to teach the classes, so we may have to cancel. If you’re available to teach a class, please contact Susie Lewis - slewis@fortunaesd.com or 725-4688.

Rohnerville Education Foundation’s Carnival will be held at Toddy Thomas this year on May 10th. There will be games, activities, and food. Carnival tickets will be pre-sold May 1st-8th for a discounted price. They will also be available at the event. This is REF’s biggest fundraiser for the year, so we appreciate your support and attendance at this event. It will be a fun, family friendly evening!

Our 3rd and 4th grade students will be taking the state standardized test, California Assessment of Student Performance and Progress (CAASPP), which was developed to assess the new state adopted Common Core Standards. The 3rd and 4th grade classes will be testing at different times over several days beginning May 6th, so please make sure your child gets to school on time. It is also important for them to be rested and feed a nutritious breakfast. We will have snacks for the students on testing days. If you have any questions, feel free to contact me.

It is that time of year when we begin registering incoming transitional kindergarten and kindergarten students for next school year. If your child will be five on or before September 1st of 2019, they will be in kindergarten. If your child will be five between September 2nd and December 2nd of 2019, they will be in our transitional kindergarten class. You may pick up registration paperwork in the office anytime. We like to have students registered no later than the spring, so we can plan for classes for next year. If you have any questions, please stop by the office.

Thank you to everyone who took the time to complete the Parent Surveys. We use the data to help us make decisions about our school and programs, so I appreciate your input! If you ever have any questions or concerns, please feel free to speak with me or your child’s teacher.

**ATTENDANCE:** If your child is absent, please call our office at (707)725-4688 before 9:00 a.m. to let us know, or you can text us at (707)689-1681. If your child has a fever, please keep them home until they are fever free without medication for 24 hours. Please try to get your child to school everyday on time. Attendance is the first step in helping your child be successful in school. When students miss school, they also miss valuable learning time. It is important that your child is at school for their academic success.

**SAFETY:** Thank you for your cooperation with the parking lot rules. For the safety of everyone, please drive slowly. We also ask that everyone turn right on Rohnerville Road when exiting the parking lot to keep the traffic moving smoothly. **Please do not drop off in the buses only area.**

**LOST & FOUND:** Please take the time to stop by and claim any of your child’s missing items. There are several sweatshirts that have been here for quite some time. We will be cleaning out and donating any items we have over the spring break, so please stop by and take a look.

*If you come on our campus for anything other than dropping off and picking up your student, you must check in at the front office. This policy is in place to ensure the safety of our students, staff, and visitors. Thank you for your cooperation!*

*Please ensure that your child is completing his/her nightly reading homework and turning in their Reading Log each week.

*No salad bar 4/8-4/12 or 4/22-4/26 unless a student has special dietary restrictions.*
